NOTICE

Cooked Food – Temporary Non-Availability

Dear Members,

Owing to a severe shortage of commercial gas cylinder supply, our restaurant caterers (Cater-Inc), are currently facing an acute shortage of gas, as no fresh supply has been received since last Saturday. The gas supplier has expressed his inability to provide further cylinders at present as he himself has not received supply from the source.

However, Parsee dishes will be available for lunch today, after which no cooked dishes will be available until the gas supply is restored.

In the meantime, the following snack items will continue to be available: Sandwiches, Cold drinks, Brun Maska, Toast-Butter, Sev Puri, Bhel, Chilly Cheese Toast, Wafers, etc.

Please note that Tea and Coffee will also not be available during this period.

We regret the inconvenience caused and shall keep members informed as soon as the situation changes.

Regards,

for

F. K. Khapoliwalla
(Jt. Hon. Secretary)
