NOTICE

NEW MEMBERSHIP CARD

Dear Members,

Further to our request dated. 11th February calling on members to submit copies of their Aadhar and Pan Cards for the purpose of issue of new membership cards, we have received representations from members that calling for Aadhar Cards is not correct, in view of stringent changes made in data privacy laws in India.

The Managing Committee has reconsidered the issue and is of the view that the said members are correct. It has, therefore, decided that it will not call for production of Aadhar Cards.

It is, however necessary to submit the Pan Card because it is the desire of the Managing Committee in the 2nd phase of implementation, to have the Cards pre-loaded, to enable that all services in the Gymkhana be purchased on such pre-loaded Cards. (Initially this will be optional)

With regard to photographs, while white-background photographs are strongly preferred, we are presently accepting photographs with non-white backgrounds. Members are kindly advised that the reproduction quality on the Membership Card may not be as satisfactory in such cases.

We request all members to kindly cooperate and submit the required documents at the earliest.

Regards,

(F. K. Khapoliwalla/ E N Billimoria)
