## NOTICE RENOVATION

Dear Members,

We are delighted to share that our recent renovation efforts on the west side of the premises have enhanced the overall experience at Parsee Gymkhana. The revamped restaurant, bar, and verandah are now more inviting and comfortable, offering a wonderful space for socialization and relaxation.

Building on this momentum, we are excited to announce plans for further renovations on the east side of the premises. The upcoming upgrades will include:

- Complete renovation of the staircase leading to the first floor, improving safety and aesthetics (This had been recommended by the Structural Auditors).
- Renovation of the verandah outside the badminton court and gymnasium.
- Relaying the tiles of the passageway through to the washrooms on the first floor.
- Relaying the tiles of the card room.

These renovations aim to improve the overall functionality and appeal of our beloved gymkhana, ensuring it remains a hub for social and sporting activities for our community. We appreciate your patience and understanding as we undertake these enhancements.

Therefore, the badminton court, gymnasium, billiard room, card room, Tavern shall be shut from 1st October till further notice

Thank you for your continued support.

Best regards,

  
(E N Billimoria)
