NOTICE

SMOKING IN GYMKHANA PREMISES

Dear Members,

This is a reminder that smoking is strictly prohibited across the Gymkhana premises, except the area just outside the Card room. Many members have been found smoking in the premises which is not only uncomfortable but also a health hazard to other members.

To uphold our commitment to a smoke free environment we will be taking the following actions

- First instance- A verbal warning will be issued and the individual will be asked to extinguish their cigarette or leave the premises.
- Second instance- A written warning will be issued and temporary suspension of Gymkhana membership privilege may occur.
- Third instance - Permanent revocation of Gymkhana membership will be considered.

We urge all members to cooperate and respect this policy.

Thank you for helping us maintain a pleasant and healthy Gymkhana for everyone.

Regards,

(E N Billimoria)

Jt. Hon. Secretary
