30th October 2026

NOTICE

TEMPORARY KITCHEN ARRANGEMENTS DURING RENOVATION

Dear Members,

This is further to our notice dt. 27th October regarding the renovation of kitchen.

The main kitchen of the Gymkhana is shutting down, and only temporary facilities by way of a makeshift kitchen will be available. It is likely the caterer will only supply tea, coffee, sandwiches, maybe egg preparations, etc.

Please note that only during this renovation period, members will be permitted to order food from external agencies which members would have to collect from the reception area themselves.

As an alternative, members will also be permitted, during this period, to bring food from home.

The Gymkhana will make all attempts to provide disposable cutlery and plates and also try to keep manpower for clearance from tables. However, members are requested to do their best to please ensure the cleanliness of the tables and the surroundings and to personally dispose off the paper plates/ boxes etc. wherever possible.

Watercoolers will be operative during this period and disposable glasses will also be available.

The bar and restaurant will be kept open during this period.

We once again apologise for this disruption, and request for your understanding and support.

Regards,

Sd/-
