Dear Parsee Gymkhana Members ,

Hope you are all safe & healthy. The PG Management prays that all of us get out of this crisis situation safe and sound and we sincerely hope all of you are taking adequate precautions and staying indoors. Your Gymkhana is cooperating with the authorities and are willing to extend help as they may do require. We will restart our Gymkhana in phases as soon as we get approval from the authorities. Meanwhile, we have carried out a first round of sanitising our entire Gymkhana premises. We shall keep you all updated periodically.

Till then, please stay Safe, Healthy & Blessed

Warm Regards from Parsee Gymkhana Management.

A. Ardwalla
