NOTICE WINE SAMPLING

Dear members,

Trust this finds you and your loved ones safe and healthy.

VINLAND VINEYARDS and **RESVERA WINERY** have approached us for wine sampling for our members on **Saturday, 19 February 2022 from 7.30 pm onwards.**

Vinland Vineyards has offered us an impressive selection of affordable White and Red Wines. Resvera, on the other hand, is offering the world's first pure JAMUN wine. Tropical Passion and Cranberry Wine Coolers will also be available for sampling.

We hope our members will take advantage of this free wine sampling. We will appreciate your comments in the book kept specifically for that purpose.

Please bear in mind that social distancing and wearing of masks is still mandatory.

Regards,

(A.N. Pardiwalla/H.K. Katrak)
