THE TAVERN (BANQUET ROOM)

Dear Members,

We refer to our Notice / email dated 22/06/22 wherein we had permitted the use of the Tavern for members and their guests in the evenings on Saturdays, Sundays and Bank Holidays if there was no seating available in the dining room, bar and verandahs.

This was reviewed in the Managing Committee meeting this month and it has now been decided that till further notice, as the lawns are closed due to monsoons, members and their guests may utilise The Tavern in the evenings on Fridays, Saturdays, Sundays and Bank Holidays, subject to availability, i.e. if not already booked by a member for his exclusive use, at the discounted rates circulated to members vide our Notice/ email dated 20th May, 2022.

For further details please contact the office.
