PARKING ON LAWNS

10 November 2022

Dear members,

We had intimated you of the opening of the lawns for sitting and parking, effective 5th October.

Since parking on the service road is now not available due to the ongoing coastal road work, your managing committee has decided that parking for guests too will be permitted on the ground from Friday 18th November onwards on an additional guest fee basis.

If members do not have the Gymkhana sticker PLEASE obtain it from the office/reception on submitting the photocopy of Registration Certificate. Please note that members' vehicles without the Gymkhana sticker will be treated as a guest vehicle.

Regards,

A. N. Pardiwalla *H. K. Kattrak*
